

## FAMILY KIT SPONSORSHIP

*Family dinner at Butha-buthe district Lesotho 2018*

### **Support household or village with 300 Euros Family Kit Sponsor:**

With your sponsorship, vulnerable household or village in remote areas will have access to sustainable energy devices.

### **300 Euros Family Kit Sponsorship:**

- Save80 stove cooking set. The Save80 cooking set is an outdoor cooking device which uses wood and biomass as fuel. Each set consists of five components: 1 x Save80 stove, 1 wonder-box, 1 litter cast-iron pot, 1 x 8 liter stainless steel pot, 1 x 5 liter stainless steel pan. All pots come with strong glass or stainless-steel lids.
- H60 solar light system for 3 rooms house.
- Free installation of solar light system.
- Free training for use of the Family Kit sponsorship devices.
